

New Course for Fall 2015!

EDSP 3420  
Behavioral Disorders:  
Characteristics,  
Identification, and  
Intervention

This course involves an examination of the typical characteristics associated with severe behavior disorders in children and youth, as well as procedures for identification. Emphasis is placed on the development of appropriate intervention programs.

Wednesdays, 5:30-8:30 pm, fall 2015
